

Conditions of Entry & Medical Declaration

Registration:

The registration fee is non-refundable and does not form part of the required sponsorship.

Fundraising:

You make a commitment to raise the minimum sponsorship required. Your main objective is to raise as much sponsorship as possible. If you are unable to raise the minimum sponsorship, you must make up the shortfall yourself or forfeit your place. If for whatever reason you do not participate in the Challenge, sponsorship forms and any sponsorship monies received should be sent to Norwood or returned to the sponsors if requested by the sponsors.

Age:

Minimum age of entry for children is 7 years and maximum age is 14 years. All children should be accompanied by an adult, parent or guardian.

Insurance:

You will be covered under the terms and conditions of Norwood's standard policy, details of which will be sent to you. If you require additional insurance you will need to arrange this yourself.

Safety:

This event is not a race. You agree to observe all instructions and rules issued by Norwood, its agents or suppliers, whether before or during the course of the Challenge. You are required to wear a safety helmet whilst cycling.

Photographs:

By taking part, you agree that all photographs taken during the event may be used by Norwood for publicity and marketing purposes.

Disclaimer:

You are responsible for your safety and that of the child you are accompanying. Neither Norwood, its employees or agents can be held responsible for loss or damage to personal effects, accident, injury or death howsoever arising, except where injury or death arises as a result of Norwood negligence.

Medical:

This event is physically demanding and it is your responsibility to ensure that both you and the child have the appropriate level of fitness and good health to participate. If you or the child have any medical conditions which could be adversely affected by exercise, particularly a heart condition, or if you have any doubt about your health, you must get separate written clearance from your doctor. Failure to disclose the full details of any medical condition from which you or the child suffer, or any changes that may arise prior to the date of the Challenge, will invalidate your insurance.

Confidentiality:

Norwood will not pass on personal information to any third parties without your consent, except as may be required for the purposes of the challenge.
